

EU-Korea FTA: Implications for U.S. Business

As the **U.S.-Korea Business Council** seeks to advocate for early ratification of the KORUS FTA, we would appreciate **specific examples on how the ratification of the EU-Korea FTA would impact the business of our member companies.**

Please complete the information below and **submit it electronically to uskbc@uschamber.com** or by fax at **202-778-2411** no later than **November 30, 2009.**

EU-Korea FTA: Implications for U.S. Business

Please discuss how your company or industry would be placed at a disadvantage **if the Korea-EU FTA enters into effect before the KORUS FTA:**

- Industry / Sector of business:
- Relevant Chapter / Section of the Agreement (specific information, including a review of the tariff lines, is most effective):
- Estimated loss *per annum*:
- Other foreseeable disadvantages (i.e. procedures and others):
