Chairman James Risch  
Senate Foreign Relations Committee  
425 Dirksen Senate Office Building  
Washington, D.C. 20510

Senator Mitch McConnell  
Senate Majority Leader  
S-230 U.S. Capitol  
Washington, D.C. 20510

Dear Senators McConnell and Risch:

The bilateral income tax treaties and protocols pending before the Senate Foreign Relations Committee are important to U.S. economic growth and U.S. trade and tax policy. For over eighty years, income tax treaties have played a critical role in fostering U.S. bilateral trade and investment and protecting U.S. businesses, large and small, from double taxation of the income they earn from selling goods and services in foreign markets.

We ask for your support for these treaties and protocols and also ask for expeditious action on them by both the Senate Foreign Relations Committee and the Senate.

Sincerely,
